*From 2000 to 2010, there was a 26% decline  
in Barnstable County residents age 25-44.*

If current trends continue, Cape Cod communities could experience a vacuum of wealth in culture, spirit and revenue. CCYP, on behalf of its membership and the communities it serves is working to put into action a community-engaged plan to retain and recruit a diverse workforce for our region with the goal to build healthy and vibrant communities and to increase civic engagement for the betterment of the future of Cape Cod.

**The future of Cape Cod is in your hands.**
